THE BIG PICTURE

Zig Ziglar tells of a motivational speaker who drew great crowds and charged \$30,000 a speech. He was invited to a convention of businessmen. He used a 6' blackboard and a piece of chalk for an illustration. He drew a dot in the middle. "What do you see?" he asked a man on the front row. "A dot." He proceeded to ask the entire front row what they saw, and they all answered the same. It drew on quite monotonously and in impatience each next one asked would just say, "The same." "A dot." "I see what everyone sees." At the end of the back row after the final answer the speaker said, "Herein lies your problem. Each of you sees the same little dot, and not one of you sees the 6' blackboard waiting for so much more to be written upon it." That was \$30,000! But if they got the message it was worth it. We must see the big picture!

We limit God with our limited vision. Jesus said He's good for as much as we'll believe Him for. If we just had a tiny speck of faith, we could move mountains, and we're straining to move tiny specks! We are the limiting factor.

We need to see the big picture! Our church building is the dot on the chalkboard. It's just a tool to do the real work. The big picture is people coming to hear the Word of God. The big picture is that young couple that comes, looking for a church home, but they come and find friends and ultimately are saved! A nice youth program is great, but the big picture is that teen who feels alone finds a place to belong. A midweek meal is dandy for all of us, but the big pic-

ture is bringing someone to it who will get saved soon. I'd sure love a new parking lot, but either way, the big picture is those who will arrive just as they are, and leave changed! There are dozens of "dots" in a congregation the size of Linder Road, but don't miss the big picture in each of the activities and ministries.

Don't become so fixated on the dots of life (jobs, school, entertainment etc.) that you miss the big picture of who you are in Christ and where you are heading. Hebrews 12:2

Linder Road Construction Project

Ada County Highway District has informed us that construction on Linder Road between Franklin Road to Pine Avenue is scheduled for February 2020 through mid-Summer 2020. Crews are expected to work weekdays, 7a.m. to 7p.m., however they may work on weekends if necessary.

Volunteers Needed!!!

Communion to the Shut-Ins: We are in need of volunteers to take communion to our shut-ins. We currently do not have very many shut-ins that request communion, so this could be a very short, yet rewarding, outing. This is a great opportunity to be a servant and to connect with members of our family that can not be with us at services.

Building Lock-Up: We are in need of additional help with building lock-up. This is a great opportunity for a family to serve together...everyone can help; please contact Mike Kish.

Greeters: We are in need greeters on Sunday mornings. This is typically a married couple. Greeters arrive 20-30 minutes before services and greet our members and visitors until shortly after services begin. If you can help, see John McCarthy.

Wednesday Night Supper: We need hosts for the **February Wednesday Night Supper**. It is scheduled for the third Wednesday, February 19th. If you can volunteer for this supper, please sign-up on the sheet on the Family News bulletin board.

Annual Spring Food Drive

The Mt. States' Annual Food Drive has begun. All donations should be at the building by March 29, 2020. Please place your donations in the large box in the foyer. You will find copies of the requested items attached to the box.

Borrowing Items from the Building

If you need to use tables from the church building for family events, please use the tables stored in the back storage shed. The shed is locked, the key and checkout sheet are located in the kitchen. Please return the key immediately so it is available for others to use. Any other items borrowed, such as decorations, chairs, tablecloths, etc. from the building should also be listed on one of the checkout sheets provided and returned as soon as possible so they too are available for others to use.
